

"Mr. Speaker, Where was I?"
Christian Standard.
It is a hopeful sign of moral progress when the charge made by a member of congress, that he has seen other members in the House in an intoxicated condition, calls for investigation. One member, accused of being under the influence of liquor recently while delivering a speech, indignantly denied it before the investigating committee, but, at the same time, confessed that he had been drinking both beer and spirits during the day, and that during his speech whiskey was brought to him at his own request. In spite of evasions and coverings up, it looks as though the hitherto orator might have been in the condition charged, but this fact is not so important as that the charge caused so much commotion in congress. Time was, and that not very long ago, when such a charge, whether true or false, would have been regarded as a trivial matter, and the man who made it would have been sneered at as a temperance fanatic.

Ripans Tablets cure hives.
Cholera infantum has lost its terrors since the introduction of Chamberlain's Colic, Cholera and Diarrhoea Remedy. When that remedy is used and the treatment as directed with each bottle is followed, a cure is certain. Mrs. Fanny Lauderdale, of Rock, Pope Co., Ill., says it cured her baby of cholera infantum and she thinks saved its life. A. W. Walter, a prominent merchant at Waltersburg, Ill., says it cured his baby boy of cholera infantum after several other remedies had failed. The child was so low that "he seemed almost beyond the aid of human hands or each of any medicine," but Chamberlain's Colic, Cholera and Diarrhoea Remedy cured him. 25 and 50 cent bottles for sale by H. Don't Tobacco Spit Your Life Away
Is the title of a little book published by the Sterling Remedy Company, postoffice box 288, of Indiana Mineral Springs, Indiana. It tells all about a preparation they make called No-to-Bac, which will permanently cure the tobacco habit. Many testimonial letters received from those who have used "No-to-Bac" report a complete cure in ten days and a gain of as many pounds. It is a guaranteed cure, costs but a trifle, and the man that wants to quit and can't, had better look this up.

An Epidemic of Bloody Flux.
Last summer the flux raged here to a fearful extent. About five miles north of here at the Whiteside graveyard there were five victims of this dreadful disease buried in one day. The doctors could do nothing with the disease. When my family was taken, I went to Walter Brothers, of Waltersburg, and told them the situation. They said, give Chamberlain's Colic, Cholera and Diarrhoea Remedy; that they had sent out several hundred bottles into the infected district and "every day we hear how this medicine is curing them. So far we have not heard of its failing in a single instance." I went to giving it and could soon see the good effects and a cure was the result. Anyone in doubt about these facts may write to me.—L.
